SHOW YOUR SUPPORT FOR FAMILIES OF
SERIOUSLY SICK AND INJURED CHILDREN
BY MAKING A DONATION!

**By showing your support, you're helping families
like Makayla's!**

At just 6 months old, Makayla was diagnosed with Neuroblastoma. The doctors had no choice but to start chemotherapy right away.

In the 256 nights she stayed at the House with her family, she battles through 8 rounds of chemo, all with a bright smile on her face.
